

RESOLUTION NO. 86-82

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LODI
ENDORING PROPOSITION 43, COMMUNITY PARKLANDS ACT OF 1986

WHEREAS, Proposition 43 authorizes the issue of 100 million in state bonds to provide for development, rehabilitation, improvement or restoration of recreation, historic areas, or park facilities. This money may also be used for acquisition and to repair park infrastructures. Proposition 43 funds will be distributed according to a simple formula based on population. Each community will receive funds and will decide on its own funding priorities.

WHEREAS, California's fine local park system can't keep up with accelerating population growth. Over the next 20 years, the State's population is expected to increase by 7.3 million. The demands placed on our local park systems are overwhelming.

WHEREAS, due to existing local funding problems many city, county and district park facilities are deteriorating or remain undeveloped for full public use and many new projects that have been in the planning stage for years have not been built.

NOW THEREFORE, BE IT RESOLVED, that the City Council of the City of Lodi does hereby urge the support of Proposition 43 as it addresses the serious shortfall in funding for local park and recreation projects and will provide a reliable funding source for California's future recreation needs.

Dated: May 21, 1986
